Massachusetts Highway Association

ORGANIZED AUGUST 3, 1893

October 1, 1947

Dear Sir:

The officers of the twelve sponsoring Associations extend to you a most cordial invitation to attend the NEW ENGLAND HIGHWAY EXPOSITION to be held at Commonwealth Armory and adjoining area, Boston, October 14, 15, 16, 1947.

Never before in the history of New England has so much road construction and maintenance equipment been shown at one time. A great amount of the equipment will be of 1948 manufacture and has never been seen by public officials or contractors.

In addition, the foremost authorities on the problems of the highway and its related phases will deliver important talks which will be of special interest to those concerned with highway work.

As a public official, you will necessarily be interested in this Exposition because the matter of new highways and reconstruction of old ones, the development of maximum safety measures and the handling of motor vehicle traffic, are among the major concerns of the public today. The appropriation of public funds for the solution of the highway problems requires a thorough understanding of the principal details of machinery and methods which will be gained at the NEW ENGLAND HIGHWAY EXPOSITION.

In your community or your organizations there are persons who also will have an interest in seeing this Exposition, and we are pleased to extend to them through you an invitation to attend.

Sincerely yours,

Edward F. Morgan, Jr.
President

EXPOSITION HOURS:

Tuesday, October 14, from 11 AM to 6 PM

Wednesday, October 15, from 10 AM to 6 PM

Thursday, October 16, from 10 AM to 6 PM

There is no charge for admission.
